"A Holiday Visit with Ida" With Susan Poulin

December 13, 2016 7:00 pm

Kittery Lions Club 117 State Road

Join Ida, "the funniest woman in Maine," as she celebrates the holidays with stories and reminiscences of Christmas time in the tiny town of Mahoosuc Mills, Maine.

Ida just loves Christmas, and she has the inside scoop on everything: the Not-So-Secret Santa plan, the do's and don'ts of Holiday decorating and more! Come hear what Charlie and the boys are up to, and prepare to be dazzled by Ida's latest craft project with her pals, the Women Who Run with the Moose. Ida is no Scrooge, though, so banish your bah-humbug's and come prepared to laugh!

Be forewarned: in the words of one concerned audience member, "You really should have "Depends" by the door for some of us!"
